Mr. Jordan, by now you should have received a designation of counsel form indicating that I and my firm will be representing Murray Energy Corporation in connection with the above-captioned matter. Because this is a matter that will require more time to develop a thorough response, I respectfully request a 30-day extension of time for such response. The complaint was received on October 6, so the requested extension, if granted, would make the response due on November 20.

Please advise whether the requested extension has been granted. If you have any questions, please contact me.

Best regards.
